DRAFT, DELIBERATIVE

Hi Liz. Sorry it has taken me until this week to consolidate the draft Rosemont slides. Please take a look at what I have prepared thus far. Much of the front material (slides 1-7) should look familiar, but welcome any additional suggestions or edits. I have made a couple of placeholder slides 8-9 for the Current Status and recent Mitigation Plan review where I think you could fill in. Also would like your thoughts on how best to present the stakeholder interest slide(s). I've put in a couple of options in slides 10-12. The thinking is the Region would pick up on or around slide 8 through the end, so happy to go with whatever your preference would be here. Feel free to give me a call if easier to discuss by phone.
